However, the school will be conducting Home-Based Learning (HBL) for Primary 1 to 5 students and e-learning assignments and Zoom sessions will be assigned through Asklearn learning portal by all subject teachers whose lessons are scheduled in the class timetable for your child/ward, from the first to the last period of all the PSLE examination dates as shown in the table above. All students concerned have to refer to the HBL timetables put up in the Asklearn learning portal and complete all the tasks specified for the above-mentioned dates.

Students who do not have computers and Internet access at home and would like to use the school computers to complete their tasks on the above-mentioned dates need to indicate on the acknowledgement slip. To expedite a smooth operation, only students who have indicated that they will be using the school computers will have access to them. Please take note that students would need to wear their school uniforms when they report to school during the HBL days.
