

21 September 2021

Dear Parents/Guardian,

SAN YU ADVENTIST SCHOOL
三育中小学

P6 Study Break for PSLE and Zoom Meeting with Parents/Guardians

It has been a challenging year for all our P6 students, who have gone through many new life changing experiences. It is heartening to see them weather through these challenges to build resilience and stay focused on their primary school end goal in mind. They would not have been able to do so without your untiring support and guidance. Our teachers and I would like to thank you for your help, especially during this pandemic period, to keep our students safe and secure in coming to school. We are at the final lap of the journey and they will soon be able to achieve whatever they have set out to do.

This letter is to inform you that according to a media release on Saturday, 18 September, the Ministry of Education (MOE) mentioned that Primary 6 students will go on a study break from 25 to 29 September prior to the start of PSLE on 30 September, similar to arrangements for last year's year-end exams. This is to minimise the risk of school-based transmissions and reduce the number of students placed on Quarantine Order (QO) or Leave of Absence (LOA) prior to the examination. All students who are taking the PSLE must conduct an antigen rapid test (ART) swab test at home on Monday, 27 September, and send the result via class dojo to their form teachers latest by 4.00 pm. This will allow for sufficient time to take a confirmatory polymerase chain reaction swab test, should they be tested positive for ART swab or obtain two consecutive invalid ART results.

Please be assured that safe management measures (SMMs) will continue to be implemented in SYAS and our examination venues for the safe conduct of the PSLE national written examination from Thursday, 30 September to Tuesday, 5 October.

P6 students who are not eligible to take the PSLE will stay at home from 25 September to 8 October. P6 students who are taking PSLE will take a break from school from 6 to 8 October. Everyone must conduct an antigen rapid test (ART) swab test at home on 10 October and send the result via class dojo to their form teachers latest by 12.00 noon. This will allow for sufficient time to take a confirmatory polymerase chain reaction swab test, should they be tested positive for ART swab or obtain two consecutive invalid ART results. If there are no issues, all P6 students will report to school on **11 October** at the usual time.

Students	27 to 29 Sep	27 Sep	30 Sep to 5 Oct	6 Oct	7 Oct	8 Oct	10 Oct
Taking PSLE	Zoom study consultation with core subject teachers (timetable will be uploaded to AsknLearn)	Take ART swab test at home	Take PSLE in school	Rest at home	Children's Day Celebration via Zoom	Children's Day School Holiday	Take ART swab test at home
Not taking PSLE	Stay at home	NA	Stay at home	Stay at home	Children's Day Celebration via Zoom	Children's Day School Holiday	Take ART swab test at home

On the last day of the PSLE written examination on Tuesday, 5 October, the school will be conducting a Zoom meeting at 2.00 pm with parents/guardians of P6 students who have taken part in the PSLE to answer questions pertaining to post-PSLE. The meeting ID is **425 265 1977** and the password is **192890**.

Thank you.

Yours faithfully,

Esther Ng
