Primary 5 Examination Matters

Dear Parents/Guardians,

1. New Grading System

Please take note that there will be a change in the Primary 5 grading system as reflected in the table below because we need to align with the current PSLE grading system:

Achievement Levels (AL)	Raw Mark Range
1	≥ 90
2	85 – 89
3	80 – 84
4	75 – 79
5	65 – 74
6	45 – 64
7	20 – 44
8	< 20

This change aims to provide a smoother transition for students as they progress through their primary education and prepare for the national examination. The criteria for passing the mid-year and year-end examinations: Pass in English (50%) with an average of 50% for all the 5/4 core subjects – Bible, English, Math Science and Chinese (selected students only).

For promotion from Primary 5 to Primary 6 and **eligibility to take PSLE**, students **MUST PASS IN ALL THE PSLE SUBJECTS in the P5 Year-end Examination**.

2. New SEAB Regulation

The following is the latest information received from Singapore Examinations and Assessment Board, SEAB pertaining to PSLE and AEIS:

All PSLE private candidates will not be allowed to take AEIS from 2023 onwards.

Technically, all PSLE private candidates will not be allowed to sign up for two exams within a year. Thus, do not sign up for AEIS examinations in 2025 if your child/ward is eligible to take the PSLE next year.
