

22 Oct 2021

Dear Parents/Guardians/Students,

Home-based Learning (HBL) for Primary School (28 and 29 October 2021)

Greetings. Our teachers have been preparing our students for the continuous assessment for P1 students and the year-end examination for P2-P6 students in school after the last home-based learning (HBL) period. As we see a continuous spike in Covid cases recently, we would like to embark on another HBL on **Thursday and Friday, 28 and 29 October**, so that students can attend HBL in the safety and security of home.

Students will report to school on **Monday, 1 November**, for their continuous assessment (P1) or the year-end examination (P2-P6).

Once again, we would like to thank you for working with us. Let us continue to remind all students to practise personal and social responsibilities to keep one another safe and the virus at bay. May God's protection be upon us. See you soon.
