

25 March 2020

Dear Parents/ Guardians

Safeguard Against COVID-19: 14-day Leave of Absence for Students Staying with a Person who Returned to Singapore from Overseas Travel

We would like to welcome all San Yu Adventist School (SYAS) students back to school.

The Ministry of Education (MOE) has recently announced new enhanced precautionary measures to further protect the education system in the press release dated 24 March 2020.

1. Primary school students staying in the same household as a person who has returned to Singapore from any country from Wednesday, 25 March 2020, 2359hr, will be placed on 14-day Leave of Absence (LOA). We seek your help to ensure that your child/ward adhere to the latest regulation and keep us informed if he/she is affected by this regulation.

Even though the above LOA regulation affects our primary school students, SYAS is taking extra precaution by extending the same LOA regulation to all secondary school students as both our primary and secondary school students share the same premises.

2. All primary and secondary school students staying in the same household as a person who had returned to Singapore from the UK, US or ASEAN countries **on or after 14 March 2020, will be placed on LOA**. The student's LOA will start from the day the person in the household returned to Singapore.

Your Required Action:

Please inform SYAS if there is **a household member who (a) returned from any country to Singapore from Wednesday, 25 March 2020, 11.59pm; or (b) returned to Singapore from the UK, US or ASEAN countries on or after 14 March 2020** via email: info@syas.edu.sg

In the meantime, SYAS will continue to administer existing precautionary measures in school to ensure that the school remains a safe and secure environment for all.

We seek your cooperation to exercise social responsibility as Singapore moves as a society to contain the spread of the COVID-19 virus.

Regards,

homeising

Ms Ho Mei Ling
Vice Principal

SAN YU ADVENTIST SCHOOL
三育中小学

Please return this portion and hand it to your child/ ward's Form Teacher.
