

6 April 2020

Dear Parents/guardian,

Implementation of Full Home-Based Learning (8 April – 4 May 2020)

In response to the Singapore Government's Multi-Ministry Taskforce's latest efforts to further enhance safe distancing measures, San Yu Adventist School (SYAS) will implement full home-based learning (HBL) from 8 April to 4 May 2020. SYAS will resume classes on 5 May 2020.

During the full HBL phase, SYAS students will engage in learning by accessing a range of both online and hardcopy HBL materials. All students are required to complete all the task activities during the scheduled HBL days.

1. HBL Weekly Schedule

A weekly schedule of the HBL will be uploaded every Monday, by 7.30am, so that parents/ guardians and students can have an overview of what students need to learn by the end of the week. However, for this week, the two-day schedule will be uploaded on Wednesday by 7.30am. The weekly schedule can be accessed via this link: <https://lms.asknlearn.com/SYAS/login.aspx>

2. Inaccessibility of Computer and Internet at Home

Students who do not have computers and Internet access at home and would like to use the school computers to complete their assignments, **must** indicate on the acknowledgement slip below. To expedite a smooth operation, only students who have responded that they will be using the school computers will have access to them. Please take note that students would need to wear their school uniforms when they report to the computer lab.

Once again, we would like you to refer to the school website for latest updates regularly and if you have any concerns, please contact your child/ ward's form teachers or email the school at info@syas.edu.sg.

Thank you for your vigilance, care and concern shown towards your child/ward and SYAS. We are also deeply appreciative of the cooperation you exhibited throughout this period. Let us continue to put our trust in God as He extends His protection towards us. Stay safe, stay positive and we will get through this together.

Best Regards,

Honeiling
