

10 November 2021

Dear Parents/Guardians/Students,

Term 4 Updates

Removal of Day 2 of Script Checking

1. No Change - Day 1 of Script Checking:

Students are to report to school as usual on Monday, 15 Nov. They will follow their current timetable to check their year-end continuous assessment/examination scripts. Please take note that they will have to complete an ART on Sunday, 14 Nov, and submit the results to their form teachers between 3pm and 6 pm.

2. No School – Day 2 of Script Checking Cancelled

Students **do not** need to report to school on Tuesday, 16 Nov. We would like students to stay at home and minimise interaction in view of the rising numbers of Covid cases in Singapore. Tuesday to Thursday, 16 to 18 Nov, are stipulated **no** school days reflected in the school calendar.

On Friday, 19 Nov, students will report to school as usual to receive their progress reports and view the annual primary school prize giving and P6 graduation ceremony. Staggered dismissal will start from 10.20am.

Changes in Traffic Rules near SYAS

Please take note of the following changes to the road works and traffic near SYAS from 14 November 2021 onwards:

1. Reverse flow of traffic for Novena Regency from 14 November 2021, 9am onwards. Please refer to the LTA notice on the next page for more information.
2. With the Novena Regency traffic circulation reversed, parents/guardians will no longer be able to turn in towards Novena Regency (at SYAS) to drop off or pick up your child/ward.
3. In addition, part of the road works in front of SYAS will be shifted away from 14 November. Therefore, you can drop off your child/ward along Thomson Road in front of the school. Alternatively, you can pick up and drop off your child/ward along Chancery Lane as well.
4. A gentle reminder to all parents and guardians to be considerate and not park your vehicles along our neighbours' driveways and obstruct traffic during pick up.

Yours faithfully,
SYAS Administration

Dear Sir

Novena Regency Traffic Circulation

The Land Transport Authority has reversed the Novena Regency traffic circulation to facilitate the North-South Corridor's diaphragm wall works at the Thomson Road centre median. We have engaged Penta-Bachy Joint Venture (PBJV) to revert it to its original traffic circulation on **14 November 2021, from 9am onwards**. Please see the original traffic circulation in the following location map.
