Announcement from SYAS Administration

Dear Parents/Guardians and Students,

This letter is to inform you of a significant change in our school leadership that will soon occur at our School. Our current principal, Dr Shee Soon Chiew, has decided to step down from his current position, and we will welcome a new principal starting on 1 April 2023.

We thank Dr Shee for his dedication and hard work leading our School over these years. He has played a vital role in shaping our School's culture, fostering an environment of learning, and inspiring our students to achieve their best. His emphasis on our School's Core Values, 7 Habits and NEWSTART will remain with us for many years. Nevertheless, Dr Shee will stay in our School in his new advisory role as the Principal-Mentor and assist the School in the different committees and leadership development. His valuable experience and contribution continue to impact the School.

As part of our renewal plan, we are delighted to welcome our new principal, Mr Thomas Ang Choon Kiat, who will be moving from his current role as the Vice Principal/Business Manager. He is no stranger to the SYAS family and has held positions as a teacher, registrar, business manager and vice principal at SYAS since 2012. He will work closely with our School Board, Dr Shee, our new Business Manager and Vice-Principals to chart the School's vision forward.

We will also like to welcome Mr Billy Selintung, who will assume the role of our School's new business manager. He will work closely with Mr Thomas Ang and Dr Shee in this new transition to help the School to scale new heights in its accomplishments and mission. We understand that change can be challenging and transforming, especially involving a key school community member. We believe that this transition will be a positive one for everyone involved.

As we embark on this new chapter, we are confident that Mr Thomas Ang will continue to build upon the strong foundation that Dr Shee has established. We believe their vision and leadership will further enhance our School and our commitment to nurturing the whole child according to God's plan. Additionally, we have the collective wisdom from the Board to ensure the School's future remains bright and hopeful.

Thank you for your kind attention to the above matters.

Best Regards,

Pastor (Dr) Johnny Kan (SYAS School Board Chair)
