

24 April 2024

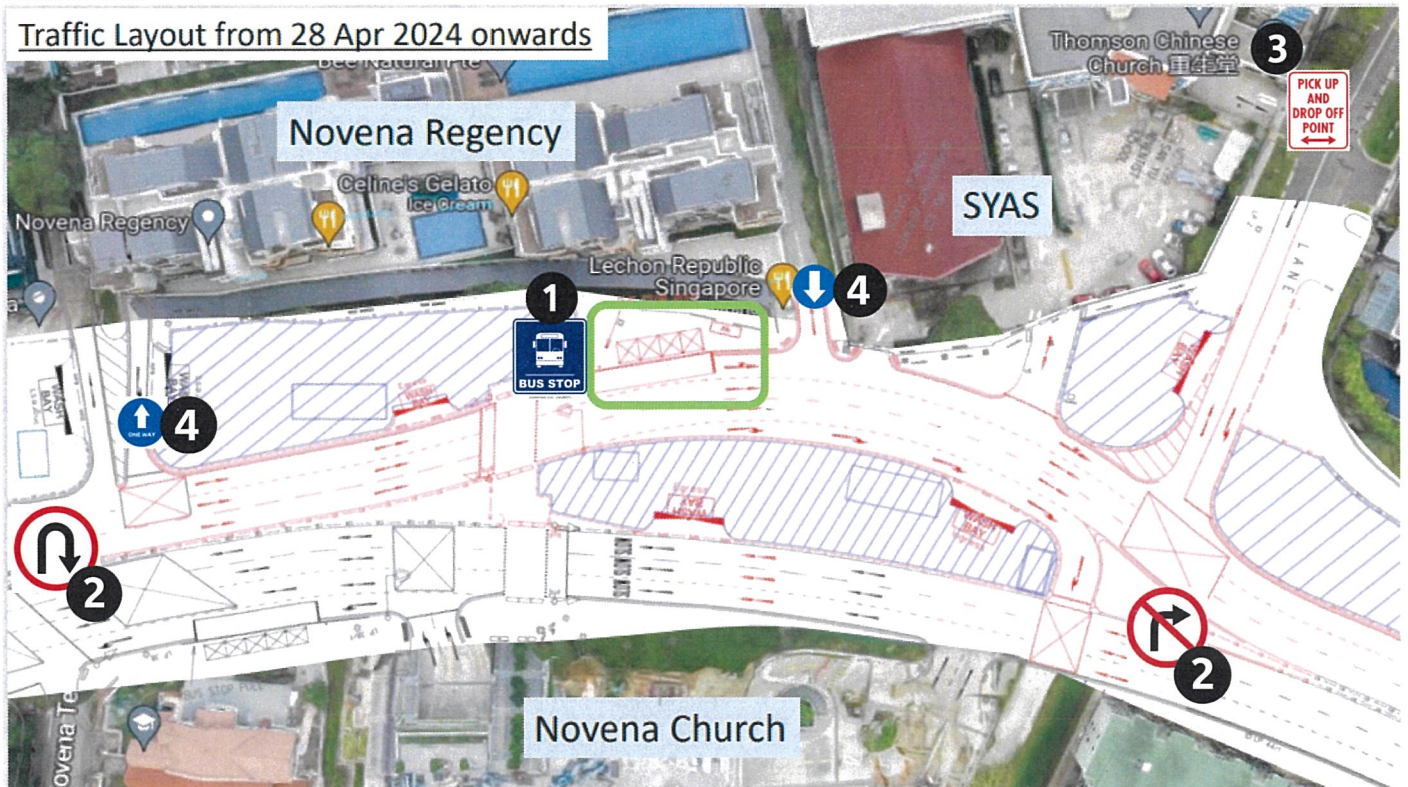

Dear Parents/Guardians/Students,

Drop-off/Pick-up of Students, New Bus Stop Location & Traffic Diversion (Update)

We have received information from the Land Transport Authority (LTA) and its licensed contractor on road alterations made in front and surrounding San Yu Adventist School (SYAS). Because of the project works, there are some traffic changes that **will take effect starting from 28 April 2024**. The highlights of the changes are shown in the illustrations below:

1. **Green box**, the bus stop will move back to its original place in front of Novena Regency. Pathway from SYAS will be available.
2. **Red circles**, from 28 April 2024 to August 2024, vehicles will not be allowed to turn right into Chancery Lane from Thomson Road. Nevertheless, cars and small vehicles can still make a U-turn in front of Novena Regency before turning into Chancery Lane after as SYAS.
3. **Pick up/drop offs of student** can be done at Chancery Lane side gate. It is advised to avoid dropping-off/picking-up along Thomson Road due to heavy traffic.
4. **Starting 1 May 2024**, Novena Regency will revert its traffic flow back to the original direction. This means that the current entrance flow will become the exit gate.
 - We kindly ask you not to park at the entrance/exit or along Novena Regency to avoid traffic congestion or obstruct others.

We seek your understanding and full cooperation to adhere to the following to smoothen the traffic flow for all road users:

三育中小学
SANYU
ADVENTIST
SCHOOL

Let us play an active role in ensuring the safety of SYAS students and a smooth experience for all drivers. Thank you in advance for your patience in bearing with the inconveniences caused.

Yours sincerely,

SYAS Administration
