Drop-off/ Pick-up of Students (Update)

We have received information from the Land Transport Authority (LTA) and its licensed contractor on road alterations made in front of San Yu Adventist School (SYAS). As a result, two drop-off/ pick-up points are created for our students. We seek your understanding and full cooperation to adhere to the following to smoothen the traffic flow for all road users:

- Please refer to the illustrations attached and follow the arrows indicating the direction of car movements while dropping off/ picking up SYAS students.
- Three-point turns/ reversing of car to make U-turns/ reversing of car into SYAS are **NOT** allowed in order to prevent traffic jams. Traffic marshals may be present to provide guidance.
- Cars are not allowed to be parked at the drop-off/ pick-up points at any given time. As mentioned in the previous letter, parents/ guardians do not need to come too early to wait for their children/wards.

1. Drop-off/ Pick-up Point 1

- Turn left into Novena Regency and leave via the exit near Revenue House.
